About Riskified

Riskified empowers businesses to realize the full potential of eCommerce by making it safe, accessible, and frictionless. We have built a next-generation eCommerce risk management platform that allows online merchants to create trusted relationships with their consumers. Leveraging machine learning that benefits from a global merchant network, our platform identifies the individual behind each online interaction, helping merchants—our customers—eliminate risk and uncertainty from their business. We drive higher sales and reduce fraud and other operating costs for our merchants and strive to provide superior consumer experiences, as compared to our merchants' performance prior to onboarding us.
