June 5, 2026

NEW YORK--(BUSINESS WIRE)--Jun. 5, 2026-- Riskified Ltd. (NYSE: RSKD) (the "Company"), a leader in ecommerce fraud and risk intelligence, today announced that on June 4, 2026, the Company's Board of Directors (the "Board") authorized the repurchase of up to \$75 million of the Company's Class A ordinary shares, subject to the completion of required Israeli regulatory procedures. This authorization is in addition to the Company's existing \$375 million share repurchase authorizations in the aggregate, of which approximately \$344.4 million had been utilized as of June 4, 2026.

Any share repurchases under the program may be made from time to time in the open market, including through trading plans intended to qualify under Rule 10b5-1 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), in privately negotiated transactions or by other means in accordance with U.S. federal securities laws. The Company intends to fund repurchases from existing cash and cash equivalents. Following, and subject to, completion of the required Israeli regulatory procedures, the timing, as well as the number and value of any shares repurchased under the program, will be determined by the Company at its discretion under the Board authorized program and will depend on a variety of factors, including management's assessment of the intrinsic value of the Company's Class A ordinary shares, the market price of the Company's Class A ordinary shares, general market and economic conditions, available liquidity, alternative investment opportunities, and applicable legal requirements. The Company is not obligated to acquire any particular amount of Class A ordinary shares under the program, and the program may be suspended, modified or discontinued at any time without prior notice. This press release is neither an offer to purchase nor a solicitation of an offer to buy any securities.
