NOTICE OF ANNUAL GENERAL MEETING OF SHAREHOLDERS

To be Held at 4:00 p.m. (Israel time) on Thursday, August 6, 2026

Dear Riskified Ltd. Shareholders:

We cordially invite you to attend the Annual General Meeting of Shareholders (the "**Meeting**") of Riskified Ltd. (the "**Company**"), to be held on August 6, 2026 at 4:00 p.m. (Israel time), at our Tel Aviv office located at 37 Sha'ul HaMelech Boulevard, Tel Aviv-Yafo 6492806, Israel.

The following matters are on the agenda for the Meeting (together, the "**Proposals**"):

- (1) to re-elect or elect, as applicable, each of Assaf Feldman, Tanzeen Syed and Ronen Assia as Class II directors, to hold office until the close of the Company's annual general meeting of shareholders in 2029, and until their respective successors are duly elected and qualified, or until such earlier time as their offices are vacated in accordance with our Amended and Restated Articles of Association (the "**Articles of Association**") or the Israeli Companies Law, 5759-1999 (the "**Companies Law**"); and
- (2) to re-appoint Kost Forer Gabbay & Kasierer, registered public accounting firm, a member of Ernst & Young Global, as the Company's independent public auditors for the year ending December 31, 2026 and until the next annual general meeting of shareholders, and to authorize the Board (with power of delegation to its Audit Committee) to set the fees to be paid to such auditors.

**OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE “FOR” EACH OF THE PROPOSALS, WHICH ARE FURTHER DESCRIBED
IN THE ACCOMPANYING PROXY STATEMENT.**

In addition to considering and voting on the foregoing Proposals, members of the Company’s management will be available at the Meeting to discuss the consolidated financial statements of the Company for the fiscal year ended December 31, 2025.

You are entitled to receive notice of, and vote at, the Meeting, or at any adjournment or postponement thereof, if you were a shareholder of record of our Class A ordinary shares, no par value (the “*Class A Shares*”), or our Class B ordinary shares, no par value (the “*Class B Shares*” and, together with the Class A Shares, the “*Shares*”), at the close of business on June 17, 2026 (the “*Record Date*”), whose Shares are registered directly with our transfer agent, Equiniti Trust Company, LLC, or held through a broker, trustee or other nominee that is one of our shareholders of record at such time, or which appear in the participant listing of a securities depository on that date.

You can vote your Shares by attending the Meeting or by completing and signing the proxy card to be distributed with the proxy statement. If you hold Shares in “street name”, meaning through a bank, broker or other nominee which is one of our shareholders of record at the close of business on the Record Date, or which appears in the participant listing of a securities depository on that date, you must follow the instructions included in the voting instruction form you receive from such bank, broker or nominee, and may also be able to submit voting instructions to your bank, broker or nominee by phone or via the Internet. Please be certain to have your control number from your voting instruction form ready for use in providing your voting instructions. If you hold your Shares in “street name,” you must obtain a legal proxy from the record holder to enable you to participate in and to vote your Shares at the Meeting (or to appoint a proxy to do so).

Under our Articles of Association, the presence (in person or by proxy) of any two or more shareholders holding, in the aggregate, at least 25% of the voting power of the Shares constitutes a quorum for purposes of the Meeting. If such quorum is not present within half an hour from the time scheduled for the Meeting, the Meeting will be adjourned to the following week (to the same day, time and place or to a day, time and place specified in the notice of such meeting or as determined by the Chairperson of the Meeting). At such adjourned meeting the presence of at least one or more shareholders in person or by proxy (regardless of the voting power represented by their Shares) will constitute a quorum.

The last date for submitting a request to include a proposal in accordance with Section 66(b) of the Companies Law is July 7, 2026. A copy of the proxy statement (which includes the full version of the proposed resolutions) and a proxy card are being distributed to shareholders and also furnished to the U.S. Securities and Exchange Commission under cover of Form 6-K. Shareholders are also able to review the proxy statement on our website at <https://ir.riskified.com> or at our Tel Aviv office located at 37 Sha'ul HaMelech Boulevard, Tel Aviv-Yafo 6492806, Israel, upon prior notice and during regular working hours (email: ir@riskified.com) until the date of the Meeting.

Whether or not you plan to attend the Meeting, it is important that your Shares be represented and voted at the Meeting. Accordingly, after reading this Notice of Annual General Meeting of Shareholders and the proxy statement, please complete, sign, date and mail the proxy card in the envelope provided or vote by telephone or over the Internet in accordance with the instructions on your proxy card or follow the instructions on your voting instruction form to cast your vote. If voting by mail, the proxy card must be received by no later than 6:59 a.m. (Israel Time) on Thursday, August 6, 2026 (11:59 p.m. EDT on Wednesday, August 5, 2026) to be validly included in the tally of Shares voted at the Meeting. Detailed proxy voting instructions will be provided both in the proxy statement and in the proxy card or voting instruction form.

Proxy Statement

**Annual General Meeting of Shareholders
To Be Held at 4:00 p.m. (Israel time) on August 6, 2026**

This proxy statement (the “*Proxy Statement*”) is being furnished in connection with the solicitation of proxies on behalf of the board of directors (the “*Board*”) of Riskified Ltd. (the “*Company*,” “*Riskified*,” “*we*,” “*us*” or “*our*”) to be voted at an Annual General Meeting of Shareholders (the “*Meeting*”), and at any adjournment or postponement thereof, pursuant to the accompanying Notice of Annual General Meeting of Shareholders (the “*Notice*”). The Meeting will be held on Thursday, August 6, 2026, at 4:00 p.m. (Israel time), at our Tel Aviv office located at 37 Sha’ul HaMelech Boulevard, Tel Aviv-Yafo 6492806, Israel.

This Proxy Statement, the attached Notice and the enclosed proxy card or voting instruction form are being made available to holders of the Company’s Class A ordinary shares, no par value (the “*Class A Shares*”) and Class B ordinary shares, no par value (the “*Class B Shares*” and, together with the Class A Shares, the “*Shares*”), beginning June 30, 2026.

You are entitled to receive notice of, and vote at, the Meeting if you were a shareholder of record at the close of business on June 17, 2026 (the “*Record Date*”), whose Shares are registered directly with our transfer agent, Equiniti Trust Company, LLC (the “*Transfer Agent*”), or held through a broker, trustee or other nominee that is one of our shareholders of record at such time, or which appear in the participant listing of a securities depository on that date. You can vote your Shares by attending the Meeting or by following the instructions under “*How You Can Vote*” below. Our Board urges you to vote your Shares so that they will be counted at the Meeting or at any postponements or adjournments of the Meeting.

Agenda Items

The following matters are on the agenda for the Meeting (together, the “***Proposals***”):

- (1) to re-elect or elect, as applicable, each of Assaf Feldman, Tanzeen Syed and Ronen Assia as Class II directors, to hold office until the close of the Company’s annual general meeting of shareholders in 2029, and until their respective successors are duly elected and qualified, or until such earlier time as their offices are vacated in accordance with our Amended and Restated Articles of Association (the “***Articles of Association***”) or the Israeli Companies Law, 5759-1999 (the “***Companies Law***”); and
- (2) to re-appoint Kost Forer Gabbay & Kasierer, registered public accounting firm, a member of Ernst & Young Global, as the Company’s independent public auditors for the year ending December 31, 2026 and until the next annual general meeting of shareholders, and to authorize the Board (with power of delegation to its Audit Committee) to set the fees to be paid to such auditors.

In addition to considering and voting on the foregoing Proposals, members of the Company’s management will be available at the Meeting to discuss the audited consolidated financial statements of the Company for the fiscal year ended December 31, 2025.

We are not aware of any other matters that will come before the Meeting. If any other matters are presented properly at the Meeting, the persons designated as proxies intend to vote upon such matters in accordance with their best judgment and the recommendation of the Board.

Board Recommendation

Our Board unanimously recommends that you vote “FOR” each of the above Proposals.

Quorum and Adjournment

As of the Record Date, 93,613,888 Class A Shares and 40,189,981 Class B Shares were issued and outstanding. Each Class A Share outstanding as of the close of business on the Record Date, is entitled to one (1) vote on each of the Proposals to be presented at the Meeting and each Class B Share outstanding as of the close of business on the Record Date, is entitled to ten (10) votes on each of the Proposals to be presented at the Meeting. Our Class A Shares and Class B Shares will vote as a single class on each of the Proposals to be presented at the Meeting.

Under our Articles of Association, the Meeting will be properly convened if at least two shareholders attend the Meeting in person or sign and return proxies, provided that they hold Shares representing at least 25% of our voting power. If such quorum is not present within half an hour from the time scheduled for the Meeting, the Meeting will be adjourned to the following week (to the same day, time and place or to a day, time and place specified in the notice of such meeting or as determined by the Chairperson of the Meeting). At such adjourned meeting the presence of at least one or more shareholders in person or by proxy (regardless of the voting power represented by their Shares) will constitute a quorum.

Abstentions and “broker non-votes” are counted as present and entitled to vote for purposes of determining a quorum. A “broker non-vote” occurs when a bank, broker or other holder of record holding Shares for a beneficial owner attends the Meeting but does not vote on a particular proposal because that holder does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner. Brokers that hold Shares in “street name” for clients (as described below) typically have authority to vote on “routine” proposals even when they have not received instructions from beneficial owners. The only item on the Meeting agenda that may be considered routine is Proposal No. 2 relating to the reappointment of the Company’s independent public auditors for the year ending December 31, 2026; however, we cannot be certain that this item will be treated as a routine matter since our Proxy Statement is prepared in compliance with the Companies Law, rather than the rules applicable to domestic U.S. reporting companies. Therefore, it is important for a shareholder that holds Shares

through a bank, broker or other nominee to instruct its bank, broker or other nominee how to vote its Shares, if the shareholder wants its votes to count for each of the Proposals.

Vote Required for Approval of Each of the Proposals

The affirmative vote of the holders of a simple majority of the voting power represented and voting in person or by proxy is required to approve each of the Proposals.

Except for purposes of determining a quorum, broker non-votes will not be counted as present and are not entitled to vote and will therefore have no effect on the outcome of a Proposal. Abstentions will not be treated as either a vote “FOR” or “AGAINST” a Proposal and will therefore have no effect on the outcome of a Proposal.

How You Can Vote

You can vote either in person at the Meeting or by authorizing another person as your proxy, whether or not you attend the Meeting. You may also vote in any of the manners below:

- ***By Internet*** - If you are a shareholder of record, you can submit your proxy over the Internet by logging on to the website listed on the enclosed proxy card, entering your control number located on the enclosed proxy card and by following the on-screen prompts. If you hold Shares in “street name,” and if the brokerage firm, bank, nominee or other similar organization that holds your Shares offers Internet voting, you may follow the instructions shown on the enclosed voting instruction form to submit your proxy over the Internet.
- ***By telephone*** - If you are a shareholder of record, you can submit your proxy by telephone by calling the toll-free number listed on the enclosed proxy card, entering your control number located on the enclosed proxy card and following the prompts. If you hold Shares in “street name,” and if the brokerage firm, bank, nominee or other similar organization that holds your

Shares offers telephone voting, you may follow the instructions shown on the enclosed voting instruction form to submit your proxy by telephone.

- **By mail** - If you are a shareholder of record, you can submit your proxy by completing, dating, signing and returning your proxy card in the postage-paid envelope provided. You should sign your name exactly as it appears on the enclosed proxy card. If you are signing in a representative capacity (for example, as a guardian, executor, trustee, custodian, attorney or officer of a corporation), please indicate your name and title or capacity. If you hold Shares in “street name,” you have the right to direct your brokerage firm, bank, nominee or other similar organization on how to vote your Shares, and the brokerage firm, bank or other similar organization is required to vote your Shares in accordance with your instructions. To provide instructions to your brokerage firm, bank, nominee or other similar organization by mail, please complete, date, sign and return your voting instruction form in the postage-paid envelope provided by your brokerage firm, bank, nominee or other similar organization.

Registered Holders

If you are a shareholder of record whose Shares are registered directly in your name with the Transfer Agent, you can also vote your Shares by attending the Meeting or by completing and signing a proxy card. In such case, these proxy materials are being sent directly to you. As the shareholder of record, you have the right to grant your voting proxy directly to the individuals listed as proxies on the proxy card or to vote in person at the Meeting. Please follow the instructions on the proxy card. You may change your mind and cancel your proxy card by sending us a written notice, by signing and returning a proxy card with a later date, or by voting in person or by proxy at the Meeting. We may not be able to count a proxy card from a registered holder unless Broadridge Financial Solutions, Inc. (“**Broadridge**”) receives it in the enclosed envelope no later than 6:59 a.m. (Israel Time) on Thursday, August 6, 2026 (11:59 p.m. EDT on Wednesday, August 5, 2026).

If you are a registered holder and provide specific instructions (by marking a box on your proxy card) with regard to the Proposals, your Shares will be voted as you instruct. If you sign and return your proxy card without giving specific instructions your Shares will be voted in favor of each Proposal in accordance with the recommendation of the Board. The persons named as proxies in the enclosed proxy card will vote in their discretion on any other matters that properly come before the Meeting, including the authority to adjourn the Meeting pursuant to Article 31 of our Articles of Association.

Beneficial Owners

If you are a beneficial owner of Shares held in a brokerage account or by a trustee or nominee, these proxy materials are being forwarded to you together with a voting instruction form by the broker, trustee or nominee or an agent hired by the broker, trustee or nominee. As a beneficial owner, you have the right to direct your broker, trustee or nominee how to vote, and you are also invited to attend the Meeting. If you do not provide instructions on your voting instruction form, your broker, trustee or nominee may not vote your Shares on non-routine proposals.

Because a beneficial owner is not a shareholder of record, you may not vote those Shares directly at the Meeting unless you obtain a “legal proxy” from the broker, trustee or nominee that holds your Shares, giving you the right to vote the Shares at the Meeting. Your broker, trustee or nominee has enclosed or provided voting instructions for you to use in directing the broker, trustee or nominee how to vote your Shares.

Even if you plan to attend the Meeting, the Company recommends that you vote your Shares in advance so that your vote will be counted if you later decide not to attend the Meeting.

Who Can Vote

You are entitled to receive notice of, and vote at, the Meeting if you were a shareholder of record at the close of business on the Record Date, whose Shares are registered directly with the Transfer Agent,

or held through a broker, trustee or other nominee that is one of our shareholders of record at such time, or which appear in the participant listing of a securities depository on that date.

Revocation of Proxies

Shareholders of record may revoke the authority granted by their execution of proxies at any time before the effective exercise thereof by filing with us a written notice of revocation or duly executed proxy bearing a later date, or by voting in person at the Meeting. A shareholder who holds Shares in “street name” should follow the directions of, or contact, the bank, broker or nominee if he, she or it desires to revoke or modify previously submitted voting instructions.

Solicitation of Proxies

Proxies are being distributed to shareholders on or about June 30, 2026. Certain officers, directors, employees and agents of Riskified may solicit proxies by telephone, email, or other personal contact. We will bear the cost for the solicitation of the proxies, including postage, printing, and handling, and will reimburse the reasonable expenses of brokerage firms and others for forwarding material to beneficial owners of Shares.

Voting Results

The final voting results will be tallied by the Company based on the information provided by Broadridge or otherwise, and the results of the Meeting will be published following the Meeting in a report of foreign private issuer on Form 6-K that will be furnished to the U.S. Securities and Exchange Commission (“SEC”).

Availability of Proxy Materials

Copies of the proxy card, the Notice and this Proxy Statement were furnished to the SEC under cover of a Form 6-K and, on or about June 30, 2026, and will be made available electronically via the

Internet at www.proxyvote.com and on our website at <https://ir.riskified.com>. The information contained on our website is not incorporated by reference in and is not a part of this Proxy Statement.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth the number of Shares beneficially owned, directly or indirectly, as of the Record Date, by (i) each person known by us to be the owner of more than 5% of our outstanding Shares, based on public filings or information provided to us by such shareholders, (ii) each of our directors and executive officers individually, and (iii) all of our directors and executive officers as a group. The number of Shares beneficially owned by each entity, person or director is determined in accordance with SEC rules, and the information is not necessarily indicative of beneficial ownership for any other purpose. The percentage of outstanding Shares is calculated on the basis of 93,613,888 Class A Shares and 40,189,981 Class B Shares outstanding as of the Record Date. Class A Shares underlying options that are currently vested and exercisable or options and RSUs that will vest and become exercisable (as applicable) within 60 days of the Record Date are deemed beneficially owned by the beneficial owner of such options and / or RSUs and are deemed outstanding for the purpose of computing the percentage of shares beneficially owned by the person holding such instruments, but are not deemed outstanding for the purpose of computing the percentage of any other person. COMPENSATION OF EXECUTIVE OFFICERS

Executive Compensation Methodology

Our Board and Compensation Committee have consistently taken a disciplined approach to executive compensation. The Compensation Committee and Board regularly review the Company’s executive compensation methodology to ensure it supports the achievement of our financial and strategic objectives and remains in line with market practices.

What we do:	
<ul style="list-style-type: none"> Base a significant portion of the compensation opportunity for our executive officers on the Company’s financial and stock price performance. In 2025, approximately 92% of the compensation of our Chief Executive Officer and 81-87% of the compensation of our other executive officers was derived from variable or performance-based compensation components. 	<ul style="list-style-type: none"> Regularly review executive compensation and peer group data.
<ul style="list-style-type: none"> Use objective pre-established performance measures to set annual incentive targets for certain components of our Chief Executive Officer’s compensation. 	<ul style="list-style-type: none"> Administer a performance stock unit (PSU) program applicable to certain senior executives, which is designed to further align executive compensation with company financial performance and shareholder value creation.
<ul style="list-style-type: none"> Offer equity and cash compensation which we believe appropriately incentivize our executive officers to deliver both short-term and long-term shareholder value. 	<ul style="list-style-type: none"> Emphasize pay-for-performance (meaning annual non-equity incentive bonuses are subject to the attainment of objective performance measures) for all of our executive officers and employees.
<ul style="list-style-type: none"> Exercise a disciplined approach to dilution management. 	<ul style="list-style-type: none"> Establish caps on cash bonus payments and annual equity-based awards to help ensure a balanced structure of short- and long-term incentives.
<ul style="list-style-type: none"> Maintain an executive compensation clawback policy, which includes recoupment and forfeiture provisions in compliance with SEC and NYSE requirements. 	<ul style="list-style-type: none"> Engage independent, outside consultants to support the Compensation Committee in the design, analysis and implementation of our compensation programs and to advise our Compensation Committee regarding executive and non-employee director compensation.

Independent Compensation Advisor and Peer Group

The Compensation Committee directly engaged the services of Frederic W. Cook & Company, Inc. (“*FW Cook*”), an executive compensation consulting firm, to review the Company’s compensation

practices and advise us as to whether they are aligned with, and competitive relative to market practices of our peers. FW Cook reports directly to the Compensation Committee and the Compensation Committee has determined FW Cook to be independent.

Based on FW Cook's report and recommendations, the Compensation Committee and the Board approved in August 2025, a list of 17 companies as our peer group (the "**Peer Group**"), for the purpose of assisting the Compensation Committee in its analysis of executive officer compensation. Our Peer Group is composed of companies which are most comparable to us on a range of criteria, including industry (mainly technology companies), revenue, EBITDA, market capitalization, enterprise value and number of employees.

Our Peer Group is composed of the following companies:

AvePoint	Dave Inc.	Flywire	Mitek Systems	PROS Holdings	Telos
Big Commerce	Domo	Jfrog	Olo Inc.	Repay Holdings	Weave Comms
Blend Labs	Fastly	Marqueta	OneSpan	Similarweb	

As of August 2025, when the Peer Group was approved, the Company's revenue was at the 56th percentile of the Peer Group's revenue for the trailing 12-months and the Company's market capitalization was at the 39th percentile of the Peer Group's 12-month average market capitalization.

Our Compensation Committee does not target a specific percentile for setting the level of compensation for our executive officers, but instead considers the market data, along with other factors, to help make informed decisions related to an executive's compensation.

Compensation of Certain Executive Officers

For information concerning compensation earned during 2025 by our five most highly compensated executive officers see Item 6.B. of our Annual Report, a copy of which is available on the SEC's website at www.sec.gov as well as on our website at <https://ir.riskified.com>.

CORPORATE GOVERNANCE

Overview

Riskified is committed to effective corporate governance and independent oversight by our Board. Our programs and policies are informed by engagement with our shareholders as well as a guiding principle that the Board is accountable for representing the best interests of our shareholders, accomplished primarily through independence, diversity of experience, qualifications, backgrounds, attributes and skills as well as engagement with shareholders and other key constituents.

Our Articles of Association provide that we may have no less than three and no more than eleven directors, as may be fixed from time to time by the Board. Our Board currently consists of nine directors. Each of our seven current non-executive directors qualifies as “independent” as defined under the applicable corporate governance rules of the New York Stock Exchange (“*NYSE*”), with Dr. Eyal Kishon serving as lead independent director (as further discussed below).

Our directors are divided into three classes with staggered three-year terms. Each class of directors consists, as nearly as possible, of one-third of the total number of directors constituting the entire Board. At each annual general meeting of our shareholders, the term of office of only one class of directors expires. The election or re-election of such class of directors is for a term of office that expires as of the date of the third annual general meeting following such election or re-election. Each director holds office until the annual general meeting of our shareholders in which his or her term expires, unless he or she is removed by a vote of 65% of the total voting power of our shareholders at a general meeting of our shareholders or upon the occurrence of certain events, in accordance with the Companies Law and our Articles of Association.

Mr. Eido Gal, our Co-Founder, has served as our Chief Executive Officer and as a member of our Board since our inception and currently also serves as chairperson of our Board. The Board will continue to exercise its judgment on an ongoing basis to determine the optimal Board leadership structure that it believes will provide effective leadership, oversight and direction, while optimizing the functioning of

both the Board and management and facilitating effective communication between the two. The Board has concluded that the current structure provides a well-functioning and effective balance between strong Company leadership and appropriate safeguards and oversight by independent directors.

Lead Independent Director

Since the chairperson of our Board is also our Chief Executive Officer, our Board has appointed Dr. Eyal Kishon as lead independent director, whose responsibilities include presiding over all meetings of the Board at which the chairperson of the Board is not present, including any executive sessions of the independent directors, approving Board meeting schedules and agendas to ensure that there is sufficient time for discussion of all agenda items, acting as the liaison between the independent directors and the chief executive officer and chair of the Board, and when appropriate, meeting or otherwise communicating with major shareholders or other constituencies of the Company. The lead independent director has the authority to call meetings of the independent members of the Board.

Corporate Governance Practices

Below, we summarize the key governance practices and policies that our Board believes help advance our goals and protect the interests of our shareholders, including:

What we do:	
<ul style="list-style-type: none"> Maintain a majority independent Board 	<ul style="list-style-type: none"> Maintain entirely independent Board committees
<ul style="list-style-type: none"> Appoint a lead independent director with extensive oversight duties and experience 	<ul style="list-style-type: none"> Conduct annual Board and committee evaluation processes
<ul style="list-style-type: none"> Regularly engage with shareholders and other stakeholders 	<ul style="list-style-type: none"> Periodically review our committee charters

During 2025, our Board met seven times and acted five times by written consent; our Audit Committee met six times; our Compensation Committee met five times and acted one time by written consent; and our Nominating and Governance Committee met two times. Each of our incumbent directors, other than Ronen Assia (who was appointed to the Board in June 2026), attended in the

aggregate at least 75% of our Board meetings and the meetings of the committees of the Board on which they served in 2025.

Our Board regularly evaluates the composition of the Board and considers how the Board can maintain the appropriate mix of skills, qualifications and diversity of backgrounds to most effectively oversee the business and long-term strategy of the Company. In March 2026, Samer Haj-Yehia was appointed as a Class I director to our Board and as a member of our Audit Committee, and in June 2026, Ronen Assia was appointed as a Class II director to our Board. We believe that Messrs. Haj-Yehia's expertise in fintech innovation and global capital markets and Assia's extensive product design and industry expertise enhance the Board's skill set, and we expect their appointments to help us continue to deliver long-term shareholder value.

Our Board has determined that Samer Haj-Yehia's simultaneous service on the audit committees of three other public companies (in addition to serving on our Audit Committee) does not impair his ability to effectively serve on our Audit Committee. In reaching this determination, the Board considered Mr. Samer Haj-Yehia's extensive financial and accounting expertise and his confirmation that he has adequate time to devote to his responsibilities.

Our Audit Committee consists of Jennifer Ceran, Erez Shachar and Samer Haj-Yehia. Jennifer Ceran serves as the chairperson of the Audit Committee. Our Compensation Committee consists of Eyal Kishon, Tanzeen Syed, and David Meredith. Eyal Kishon serves as chairperson of the Compensation Committee. Our Nominating and Governance Committee consists of Jennifer Ceran, Eyal Kishon and David Meredith. David Meredith serves as chairperson of the Nominating and Governance Committee.

For more information regarding our Board, its committees and our corporate governance practices, see "Item 6.C.– Board Practices" of our Annual Report.

Shareholder Engagement

We believe that effective corporate governance involves regular, constructive dialogue with our shareholders. This process is essential to understanding our shareholders' perspectives and aligning our

strategies with their expectations. Ongoing engagement provides us with the opportunity to evaluate and consider our corporate governance practices and helps us to ensure that such practices are dynamic and responsive to the evolving landscape of our business and our shareholders' expectations.

Commitment to Active Dialogue

We are committed to maintaining an active dialogue with our shareholders. Throughout the year, we engage with shareholders representing a majority of our institutional shareholdings through quarterly earnings calls, investor conferences, non-deal roadshows, and direct meetings. This comprehensive investor relations program facilitates continuous interaction, providing us with valuable insights into our shareholders' priorities and concerns.

Feedback Implementation

We review investor feedback that is received and seek to implement changes that align with our Company's strategy, business growth, and maturity stage, where appropriate. This feedback loop helps to ensure that our business operations, strategies and governance practices are not only reflective of shareholder expectations but also contribute to the sustainable growth and long-term success of the Company.

Corporate Values and Future Commitment

Maintaining an active dialogue with our shareholders is consistent with our values of open communication and accountability. We believe that by fostering this two-way communication, we can achieve more transparent, effective, and inclusive governance. As we move forward, we remain committed to continuing these efforts, ensuring that our governance frameworks, business operations and strategies remain robust, adaptive, and aligned with shareholder interests.

PROPOSAL 1

ELECTION AND RE-ELECTION OF DIRECTORS

Background

Our Board currently has nine directors and is divided into three classes with staggered three-year terms as follows:

- the Class II directors are Assaf Feldman, Tanzeen Syed and Ronen Assia, and their terms expire at the Meeting;
- the Class III directors are Eido Gal, Eyal Kishon and Jennifer Ceran, and their terms expire at our annual general meeting of shareholders to be held in 2027; and
- the Class I directors are Erez Shachar, David Meredith and Samer Haj-Yehia, and their terms expire at our annual general meeting of shareholders to be held in 2028.

At each annual general meeting of shareholders, the election or re-election of directors following the expiration of the term of office of the directors of that class will be for a term of office that expires on the date of the third annual general meeting following such election or re-election.

At the Meeting, shareholders will be asked to re-elect or elect, as applicable, incumbent directors Assaf Feldman, Tanzeen Syed and Ronen Assia as Class II directors.

Assaf Feldman is a co-founder, director and the Company's Chief Technology Officer. Mr. Feldman does not qualify as an independent director, as defined under the applicable rules of the NYSE, and does not serve as a member of any of our standing Board committees.

Tanzeen Syed qualifies as an independent director, as defined under the applicable rules of the NYSE, and is a member of our Compensation Committee.

Ronen Assia is a member of our Board. Our Board has determined that Mr. Assia qualifies as “independent”, as defined under the applicable rules of the NYSE.

If elected or re-elected at the Meeting, as applicable, Assaf Feldman, Tanzeen Syed and Ronen Assia will each serve until the 2029 annual general meeting of our shareholders, and until their respective successors have been duly elected and qualified, or until such earlier time as their offices are vacated in accordance with our Articles of Association or the Companies Law.

In accordance with the Companies Law, Assaf Feldman, Tanzeen Syed and Ronen Assia have each certified to us that they meet all the requirements of the Companies Law for election as a director of a public company, and possess the necessary qualifications and have sufficient time to fulfill his duties as a director of Riskified.

The Nominating and Governance Committee of our Board has recommended that Assaf Feldman, Tanzeen Syed and Ronen Assia be nominated for re-election or election, as applicable, at the Meeting, each as Class II directors for terms to expire at the 2029 annual general meeting of our shareholders, and until their respective successors have been duly elected and qualified, or until such earlier time as their office is vacated in accordance with our Articles of Association or the Companies Law. Our Board has nominated each of Assaf Feldman, Tanzeen Syed and Ronen Assia for election or re-election at the Meeting.

Mr. Feldman holds a B.A. in Film and Computer Science from Tel Aviv University in Israel and an M.A. (Computer Science) from Massachusetts Institute of Technology. We believe Mr. Feldman is qualified to serve on our Board due to his extensive experience in software development and machine learning and his deep understanding of the Company's business and operations as our co-founder and long-standing Chief Technology Officer.

Tanzeen Syed, 44, has served on our board of directors since October 2019. Since July 2018, Mr. Syed has served as a Managing Director at General Atlantic, focusing on investments in General Atlantic's Technology sector. We believe Mr. Syed is qualified to serve on our Board due to his extensive financial background and experience in the technology sector.

Ronen Assia, 50, was appointed to our board of directors in June 2026. Mr. Assia is a co-founder of eToro Group Ltd. (Nasdaq: ETOR), where he oversaw products and engineering until 2020 and currently serves as Executive Director. Mr. Assia also currently serves as Managing Partner of Team 8 Fintech, a global venture group specializing in innovative fintech companies. He holds a BA in Industrial Design from Bezalel Academy of Arts and Design and an MA in Product Design from the Royal College of Art in London. Background

Our Audit Committee and Board have approved the appointment of Kost Forer Gabbay & Kasierer, a member of Ernst & Young Global, as our independent public auditors for the year ending December 31, 2026, subject to the approval of our shareholders.

The following table sets forth the total amount billed to us by the Company's independent public auditors, Kost Forer Gabbay & Kasierer, a member of Ernst & Young Global, for services performed in each of the previous two fiscal years:

	(in thousands USD)	
Audit Fees ⁽¹⁾	\$ 825	\$ 850
Audit-Related Fees ⁽²⁾	5	5

(1) "Audit fees" for the years ended December 31, 2025 and 2024 include fees for the audit of our annual financial statements. This category also includes services that the independent accountant generally provides, such as consents and assistance with and review of documents filed with the SEC.

(2) "Audit-related fees" for the years ended December 31, 2025 and December 31, 2024 relate to fees for assurance and other services that are reasonably related to the performance of the audit and are not reported under audit fees.

Our Audit Committee has adopted a pre-approval policy for the engagement of our independent public auditors to perform certain audit and non-audit services. Pursuant to this policy, which is designed to assure that such engagements do not impair the independence of our auditors, the Audit Committee pre-approves annually a catalog of specific audit and non-audit services in the categories of audit services,

audit-related services and tax services that may be performed by our independent accountants. Unless a type of service to be provided by the independent accountant has received general pre-approval by the audit committee, it requires specific pre-approval by the Audit Committee.
